Notes to the unaudited financial results:

The above is an extract of the detailed format of quarter and half year ended Financial Results filed with the Stock Exchanges under Regulation 33 of the SEBI (Listing Obligations and Other Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/FAC/62/2016 dated 5 July, 2016. The full format of the quarter ended Financial Results are available on the Stock Exchange's websites www.bseindia.com and www.nseindia.com and also on Company's website www.wforwoman.com

Notes to the unaudited financial results:

- The above unaudited financial results for the quarter and nine months ended December 31, 2020, have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on February 05, 2021. These results have been subjected to limited review by the statutory auditors of the Company.
- These financial results have been prepared in accordance with recognition and measurement principles laid down in Indian Accounting Standard 34 'Interim Financial Reporting' (Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013, read with the relevant rules issued thereunder and other accounting principles generally accepted in India.
- The Company's operations and financial results for the quarter and nine months ended December 31, 2020, have been adversely impacted by the outbreak of COVID-19 pandemic and the consequent lockdown announced by the Government authorities due to which the operations were suspended for a substantial part of the first half of the year. The Company has resumed business activities by re-opening stores on a gradual basis in line with the guidelines issued by Governing authorities. The results for the quarter and nine months ended are, therefore, not comparable with those for the previous periods.
- The Company has assessed the impact of COVID-19 pandemic on its business operations and has considered relevant internal and external information, available up to the date of approval of these financial results, in determination of the recoverability and carrying value of financial and non-financial assets and believes that the pandemic is not likely to impact the recoverability of the carrying value of its assets. The impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration and accordingly actual results may differ materially from these estimates as at the date of approval of these financial results. The Company will continue to closely monitor any material changes in the future economic conditions.
- The Company has elected to apply the practical expedient of not assessing the rent concessions as a lease modification, as per Ministry of Corporate Affairs (MCA) notification dated July 24, 2020 on IND-AS 116 for rent concessions, which are granted due to COVID-19 pandemic. Details of unconditional rent concessions confirmed, adjustment against rent expense (to the extent available) and amount accounted as 'Other income' is as under:

(All amounts in ₹ million)

Particulars	For the quarter ended		For the nine months ended
	December 31, 2020	September 30, 2020	December 31, 2020
A Unconditional rent concession confirmed	59.85	140.96	394.07
B Adjusted against rent expense (to the extent available)	59.85	86.10	217.75
C Other income (A-B)	-	54.86	176.32

The above unconditional rent concessions for the quarter ended December 31, 2020 and September 30, 2020, includes ₹ 7.64 million and ₹ 9.07 million, respectively, pertaining to periods after the reporting period.

- The Code on Social Security, 2020 ('Code') relating to employee benefits during employment and post-employment benefits received Presidential assent in September 2020. The code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified. The Company will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective.
- The Company has recognised deferred tax assets (net) amounting to ₹ 213.71 million in the financial results for nine months ended December 31, 2020, consistent with applicable accounting standards.
- During the quarter and nine months ended December 31, 2020, the Company has allotted 35,500 equity shares of face value of ₹ 2 per share arising from exercise of Employee Stock Options Plans (ESOPs), which were granted under 'TCNS ESOP Scheme 2014-2017'.
- The Company is primarily engaged in the business of women's apparel and accessories in India. Accordingly, the Company views its business activities as one business segment, therefore there are no separate reportable segments as per Indian Accounting Standard (Ind AS) 108 - 'Operating Segments'.

The full format of the quarter ended Financial Results are available on the Stock Exchange's websites www.bseindia.com and www.nseindia.com and also on Company's website www.wforwoman.com

Notes to the unaudited financial results:
1. The above unaudited financial results for the quarter and nine months ended December 31, 2020, have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on February 05, 2021. These results have been subjected to limited review by the statutory auditors of the Company.
2. These financial results have been prepared in accordance with recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" (Ind AS 34), prescribed under Section 133 of the Companies Act, 2013, read with the relevant rules issued thereunder and other accounting principles generally accepted in India.
3. The Company's operations and financial results for the quarter and nine month ended December 31, 2020, have been adversely impacted by the outbreak of COVID-19 pandemic and the consequent lockdown announced by the Government authorities due to which the operations were suspended for a substantial part of the first half of the year. The Company has resumed business activities by re-opening stores on a gradual basis in line with the guidelines issued by Governing authorities. The results for the quarter and nine months ended are, therefore, not comparable with those for the previous periods.
4. The Company has assessed the impact of COVID-19 pandemic on its business operations and has considered relevant internal and external information, available up to the date of approval of these financial results, in determination of the recoverability and carrying value of financial and non-financial assets and believes that the pandemic is not likely to impact the recoverability of the carrying value of its assets. The impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration and accordingly actual results may differ materially from these estimates as at the date of approval of these financial results. The Company will continue to closely monitor any material changes in the future economic conditions.
5. The Company has elected to apply the practical expedient of not assessing the rent concessions as a lease modification, as per Ministry of Corporate Affairs (MCA) notification dated July 24, 2020 on IND-AS 116 for rent concessions, which are granted due to COVID-19 pandemic. The code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified.
