- "The State Government authorities had imposed various restrictions to control the spread of Covid-19 pandemic during the period and consequently, the low market demand had affected the Company's operations for the period. However, the Company had taken various steps including cost reduction measures, bringing in operational synergies etc. to ensure sufficient liquidity for the Company's operations and with easing of certain restrictions effective June 2021 by State government authorities, the Management expects demand to revive. The Company's Management has done an assessment of the situation (including the liquidity position after taking into consideration continuing cost reduction measures, available investments, surplus funds with the Group, undrawn bank facilities etc.), and carrying value of all its assets and liabilities as at June 30, 2021, and concluded that there are no material adjustments required in the unaudited standalone financial results. However, the impact assessment due to COVID-19 is a continuing process given the uncertainty associated with its nature and duration. The Company will continue to monitor any material changes as the situation evolves."
- The Company has during the period incorporated wholly owned step-down subsidiary Zodiac Clothing Company Inc. in United States of America effective from May 11, 2021.
