c) The comparable profits after tax for the half year ended 30th September 2018 and 30th September 2017 under the previous GAAP would have been Rs. 168.40 crores and Rs.160.95 crores respectively.

Notes:

- The above unaudited financial results of the Company for the half year ended September 30, 2018 have been reviewed by the Audit Committee and taken on record at the meeting of the Board of Directors of the Company held on November 02, 2018. The statutory auditors of the Company have carried out limited review of the above unaudited financial results of the Company for the half year ended September 30, 2018.
- In accordance with the Indian Accounting Standard (IND AS) - 33 Earnings Per Share, specified under Section 133 of the Companies Act 2013, read with relevant rules issued thereunder, there are certain class of securities which are anti dilutive and hence the impact of those securities has been ignored in the computation of diluted EPS.
- (a) DSCR represents profit/ loss from operations before finance cost (net of finance cost inventorised and charged to statement of profit and loss), and tax expenses/ finance cost (gross of finance cost inventorised and charged to statement of profit and loss) plus principal repayment of loan funds during the period.

(b) ISCR represents profit/ loss from operations before finance cost (net of finance cost inventorised and charged to statement of profit and loss), and tax expenses/ finance cost (gross of finance cost inventorised and charged to statement of profit and loss).

(c) Debt equity ratio represents debt [long-term borrowings and current maturity of long-term borrowings and interest accrued (included in other financial liabilities)]/ equity [equity share capital+other equity (including retained earnings and debt redemption reserve)].
- Ind AS 115 Revenue from Contracts with Customers, mandatory for reporting periods beginning on or after April 01, 2018, replaces existing requirements of recognition of revenue. The application of Ind AS 115 has impacted the Company's accounting for revenue from real estate projects.
The Company has applied the modified retrospective approach to all contracts as at April 01, 2018 and has given impact of Ind AS 115 application by debit to retained earnings as at the said date by ₹8,102 lakhs (net of tax). Accordingly, the comparatives have not been restated and hence not comparable with previous period figures. Due to the application of Ind AS 115 for the half-year ended September 30, 2018, Revenue from operations is higher by ₹23,452 lakhs and profit after tax for the period is higher by ₹4,590 lakhs. The basic and diluted earnings per share for the half-year ended September 30, 2018 for Class B equity shares and Class C equity shares is ₹9.93 and ₹13.92 respectively per share, instead of basic and diluted loss per share for Class B equity shares and Class C equity shares of ₹0.08 and ₹0.12 respectively per share.
- The Board of Directors of the Company & Brookefields Real Estates and Projects Private Limited ('BREPPL'), its wholly owned subsidiary, have approved the Scheme of Arrangement between the Company, BREPPL and their respective shareholders and creditors (hereinafter referred to as "the Scheme") in terms of the provisions of Sections 230 to 233 of the Companies Act, 2013 to transfer the business of BREPPL to the Company. The Company has filed the scheme with the regulatory authorities and is awaiting the necessary approvals. Pending such approvals, the Scheme has not been accounted for in the accompanying unaudited financial results for the half year ended September 30, 2018.
